

NEW PRODUCT ANNOUNCEMENT

INTRODUCING JAX HALO-GUARD FG-PM IN GREASE GUN CARTRIDGES

JAX Halo-Guard FG-PM satisfies the lubricant demands in heavily loaded food-plant machinery applications. Making JAX Halo-Guard FG-PM the industry's best grease ideal for difficult, highly loaded, gear and bearing applications.

A true "Heavy-Duty" food-grade grease, JAX Halo-Guard FG-PM extends food-grade integrity to shop, plant and heavy equipment including pellet mills, fork trucks, conveyors, material handling equipment, washing equipment, grain presses and packaging machinery.

A particular bright spot in the performance of JAX Halo-Guard PG-PM is rust and corrosion resistance. It easily passes the standard Corrosion Preventative Properties Test (ASTM D 1743). A severe, Salt Fog Test (ASTM B117) yields passing performance in excess of 300 hours.

Now available in convenient grease gun cartridges!

To learn more about JAX Halo-Guard FG-PM, contact your JAX distributor or call 1-800-782-8850.
